

UNIVERSITY OF GEORGIA

NSF REU in Genomics and Computational Biology

May 27-July 25, 2025

Applications are currently being accepted for the NSF-funded Research Experiences for Undergraduates (REU) Program in Genomics and Computational Biology. The program offers a unique opportunity to work with UGA faculty mentors in fungal genomics, computational biology, bioinformatics, metabolomics, and systems biology. Participants will receive a stipend, on-campus housing, food allowance, and travel assistance. **Application deadline is March 3, 2025.**

Applications are being accepted through the NSF ETAP site:
(<https://etap.nsf.gov/award/2774/opportunity/10374>)

To learn more about this opportunity, please see [Genomics & Computational Biology](#) or contact Karen Howard (khoward@uga.edu)
